

Please find over, an itemised list of Essential Student Learning Items (items that your child needs for school) and Optional/Voluntary Items (items that you can choose whether your child participates in or accesses) for your child for 2019.

Gisborne Secondary College makes every effort to keep the cost and number of items that need to be purchased to a minimum. We also try to ensure that the costs are affordable for all parents. If you will have difficulty making payments please contact Nicole Alexander (Finance Manager) to discuss possible support options and flexible payment arrangements. Any information about your financial circumstances, payment arrangements or status will be kept strictly confidential.

Please have your child return this completed sheet to the Money Window.

Please Note:

- **It is a requirement that students have a personal computing device for learning.**
- **Additional school charges may arise during the year. For example: the costs for optional excursions, which have not yet been finalised. We anticipate that there will be 3-4 excursions planned during the year with an estimated cost of \$30 each.**
- **Textbooks are supplied by the College book supplier, Campion Education. Please see the textbook form enclosed for ordering.**
- **Parents may choose to provide or purchase some items themselves. If you choose to do this you must consult with the school first so that your child has the right items. There may be some items or services that you may not be able to purchase yourself.**

Parent Payment Charges
